

**Dummerston Energy Committee
Meeting Minutes — 9/28/09**

Attending: Bill Conley, Chris Derby, Sam Farwell, Bob Sherwood, Suzanne Weinberg, Alex Wilson

Absent: Jerelyn Wilson

Guest: Craig Stead

1) Discussion of future direction for DEC: low-hanging fruit vs. big fruit regarding ongoing DEC projects; need for more networking and coordination etc. in order to take on more far-reaching work.

Action: All – prepare to discuss this in more depth at annual retreat (date TBD).

2) Signage for anti-idling resolution.

Action: Suzanne will check with Reg Rockefeller re: zoning guidelines for signs and draft up the Ben and Jerry's grant application.

3) Discussion of possible coordination with WEG, PEC, WRC on stimulus funds, public education, etc.

Action: Alex will write to Tom Simon about coordination with WRC and will CC: Jim Matteau.

4) Extensive discussion with Craig Stead re: school audit ideas: methodologies that lead to most accurate and usable data, funding, pricing, & educational programs.

Action: Craig will get back to us with a timetable for initiating efforts for an audit.

Sam & Diana will be standing by to write a grant application if needed before our next meeting.

5) Web Site – Bob updated us about his initial work on the site. We need to figure out what should go on it.

Action: All come to next meeting with ideas about what should go on the site.
